

PROFI FITNESS SCHOOL COVID 19 RESPONSE POLICY

PROFI FITNESS SCHOOL have established a PROFIT FITNESS SCHOOL COVID-19 Response plan that has put the necessary procedures and practices in place to ensure the health, safety and well-being of our team, students and gym users.

The policies and procedures implemented have been developed in response to government guidance, within the Republic of Ireland, and return to work safely protocols.

The PROFIT FITNESS SCHOOL COVID-19 Response Plan incorporates current government advice concerning measures to reduce the spread of COVID-19 within the community issued by the National Public Health Emergency Team (NPHET).
